reasonable amendment, particularly in view of the agency's willingness to do it, and I would agree with the savings of study of \$175,000, half state and half federal, is beneficial as well.

CLERK: Mr. President, a new resolution offered by Senator Stoney. Read LR 79. (See pages 1875 and 1876, Legislative Journal.) Mr. President, Senator Stoney moves to suspend Rule 4, Sec. 6 and take up LR 79 today.

SENATOR NICHOL PRESIDING

SENATOR NICHOL: Senator Stoney, did you want to speak to this?

SENATOR STONEY: Mr. Chairman, members of the Legislature, first I would like to congratulate all the Nebraska players that are being considered for the draft this year, but most particularly and specifically those that I have mentioned here in the resolution. These are young men that attended Burke High School which is located in the 4th Legislative District in Omaha and I think this may be a first in Nebraska history that three members from the University's teams here have been selected in the NFL draft so I would move without further ado for the adoption of the resolution.

SENATOR NICHOL: We are voting to suspend the rules. All those in favor vote aye, opposed....oh, Senator Simon, excuse me. I didn't see your light was on.

SENATOR SIMON: I don't want to delay this, Senator Stoney, but I was talking to Senator Koch and the question came up and just wondering if you might want to answer, the draft is not over and still takes place today. Is there anybody else from Burke that is on the team and could they be drafted? We wouldn't want to slight them. Okay.
